Dear

**Request for Information: Freedom of Information Act**

Thank you for your email of 24 May, making a request for information under the Freedom of Information Act. You requested the following information and the Trust is able to provide the information below in response:

**Request:**

How many endpoints in the Trust are using Windows XP as an operating system and how many have been or are in the process of being upgraded to a more secure and up-to-date operating system.

If possible could you provide the names of the operating system/s that have been used to upgrade the endpoints?"

**Response:**

None.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.

The ICO can be contacted at:
