Dear

**Request for Information: Freedom of Information Act**

Thank you for your email of 25 September, making a request for information under the Freedom of Information Act. You requested the following information and the Trust is able to provide the information below in response:

**Request:**

I require all financial information relating to Oxford Health NHS Foundation Trusts use of Risperidone products, broken down by product type i.e. Risperidone Depo, Risperidone Orodispersible Quicklet Tablets and Risperidone Mylan film-coated tablets.

- Please provide unit cost and then annual costs for all three Risperidone products from 2000.
- Please indicate if the Trust receives a payment for the use of Risperidone i.e. Risperidone Depo similar to the incentive payments given to GP's when they administer vaccinations. With this payment incentive please provide unit payment and then annual income from 2000.
- Please provide costs and payments in breakdown between Adult Mental Health and Child Mental Health.
- Please also include a breakdown via product between diagnoses i.e. Autism, Bipolar, Manic Depression, Depression, Delusional Disorder, Schizophrenia and Anxiety related illnesses. I would like the above information to be provided to me in electronic format

**Response:**

1. The Trust can only provide total costs as unit costs are commercially confidential. Data can only be provided from 2011 – please see attached spreadsheet. The Trust has applied section 43 to the unit cost elements of this request. The Trust has not disclosed this information as the Trust would not be able to obtain best value in tendering, negotiating and contracting for these services, and there would be likely to be prejudice to the commercial interest of the Trust and providers of such services as a result.
2. No payments received.
3. Breakdown between CAMHS & AMH attached.
4. The Trust is unable to report by diagnosis, the information is not held within the pharmacy system.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.

The ICO can be contacted at:

The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF

Please contact me if there are any further queries.

Kind regards,

Yours sincerely,

Mark Underwood
