Dear

Request for Information: Freedom of Information Act

Thank you for your email of 2 January, making a request for information under the Freedom of Information Act. You requested the following information and the Trust is able to provide the information below in response:

Request and Response:

I would like to request the contact names/job title of the key individuals within the ICT/IT department that would manage the data cabling contractors/framework for the NHS trust.

Victoria Spear, IM&T Procurement, Contracts and Telecoms Manager

In addition, whether there is a specific cabling framework in place and when it is due for renewal or whether contractors are used on an adhoc basis.

Cabling services are procured through a compliant procurement framework; the framework is not specific to the supply of cabling services however.

If there is a framework, what is the title and where will the new framework be advertised please?

There is no cabling-specific framework.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Should you wish to make a complaint as a result of the outcome of such a review, you may apply directly to the Information Commissioner's Office (ICO) for a decision.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.

The ICO can be contacted at:

The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF

Please contact me if there are any further queries.

Kind regards,

Yours sincerely,

Mark Underwood

Head of Information Governance
