

New print and electronic book titles in the Oxford Health Libraries March 2017

<p>Book of the Month</p> 	<p>Structured clinical interview for DSM-5 disorders: clinician version / Michael B. First ... [et al]. 2016. <i>The Structured Clinical Interview for DSM-5 - Clinician Version (SCID-5-CV) guides the clinician step-by-step through the DSM-5 diagnostic process. Interview questions are provided conveniently along each corresponding DSM-5 criterion, which aids in rating each as either present or absent. The SCID-5-CV is an abridged and reformatted version of the Research Version of the SCID, the structured diagnostic interview most widely used by researchers for making DSM diagnoses for the past 30 years [publisher]</i></p>
