New Training Dates now Open for Bookings

All your [old favourites plus some new sessions](#) including Patient Information, Google Advanced Search and the Royal Marsden Manual of Clinical Nursing Procedures.
Contact [Kate](#) for your Teams links.

Recent Evidence from Primary Care

[Organising general practice for care homes: a multi-method study](#)

Trusting relationships between care homes and a motivated, adequately resourced primary care workforce may be more important than models of care, in enhancing primary care for care homes.

[Assessment of olfactory loss](#)

Updated BMJ Best Practice guidance. Available with your NHS [OpenAthens](#) account.

Primary Care Library : Your Partner in CQC Compliance

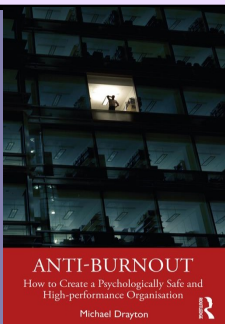

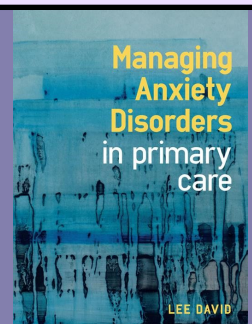

Let us help you
deliver high-
quality, evidence
-based care

- **Literature Searches:** Find the latest evidence to inform best practice and demonstrate compliance. (Safe, Effective)
- **Training:** Develop your team's skills in information literacy and critical appraisal. (Well-led)
- **Knowledge Mobilisation:** Translate research into practical tools for your team. (Responsive, Well-led)
- **Guideline Access:** Stay up-to-date with current guidelines and best practice. (Effective, Safe)

Kortext—New Collections Feature

A new Collections feature is now live on the [Kortext user interface](#) with your NHS OpenAthens— This tab provides links to all nationally purchased thematic titles in areas such as the Primary Care, Diversity and Inclusion, Sustainability, Wellbeing and Psychology.

To set up a new NHS OpenAthens account, register [here](#) giving “Primary Care and ICB Staff in Oxfordshire” as your organisation.

New Communities of Practice

A Community of Practice is a group of individuals who come together to share ideas, develop expertise and solve problems around topics of interest. New Oxfordshire Primary Care Communities are being set up for [GP's](#), [Practice Managers](#), [Primary Care Researchers](#), [Clinical Pharmacists](#), [Paramedics](#) If you are interested, please follow the appropriate link.

Require an article or book? Want to learn how to perform a quicker, more effective search on specific topics? Need a literature search for guidelines, case studies, research papers or a quality improvement project? Want to keep up to date with the latest information in your field? Contact me at Kate.Jones@oxfordhealth.nhs.uk .

The next edition will be published in June 2025
