Please accept our apologies on arrival, as there are no reception arrangements. The TalkingSpace worker will come out to greet you at the time of, or just before your appointment time. There are two blue chairs in the entrance lobby where you can wait if the worker is delayed by a previous appointment.

There are two Community Centres and the one you are to go to is on the North side of the new Community Centre. There are two community centres and the Julier Centre is to the North of the new Community Centre or the Julier Centre is between the chemist and the new Community Centre which are both on the left side as you come down the road towards the Community Hospital.
