Tel: 01235 522602

The Health Centre is situated within the grounds of Abingdon Community Hospital. Turn into the hospital grounds entrance and turn left to find the Health Centre. The car park is located over the yellow barrier plates.

When you get there:

- Make sure that you are at the GP practice, **not** the hospital. The practice is to the left of the hospital.
- When you get there, go to reception and let the receptionist know that you are there to see the worker named on your letter. The receptionist will let your worker know that you have arrived. You will need to collect a token from reception to leave the car park if you are travelling by car.
- Take a seat in the waiting room and your worker will call you for your appointment.
