

Wallingford Hospital

Reading Road
Wallingford
OX10 9DU

Wallingford Community Hospital is situated just outside Wallingford Town Centre on the A329 towards Goring and Pangbourne.

This is the best entrance to use

Parking: There is parking available in the grounds, but it can get very busy so you may need to wait for a space.

Where to go: On arrival, follow the road into the grounds to the end and turn right. After about 100 yards / metres turn left. The main entrance is under a porch with an area for ambulance parking, and is recognisable by a rocking horse inside the porch. Turn right and follow the corridor to reception. The receptionist will direct you to the waiting area.
