

# FOOD SUPPORT AROUND OXFORD

OMA will be taking a week off to pause, reset and reorganise between **Monday March 7th and Sunday March 13th**. We **will not be providing any regular or emergency parcels or reheatable meals during this time**. We have compiled a list of local organisations who can help with food support during this time.

Community Fridges are free to use and do not require registration. The services listed below **do not require external referrals**, and are also free to use (they may request a voluntary contribution). **Accessing any of this support will not affect receiving food parcels from OMA.**

There are also **Community Larders** available across the City, which are run by SOFEA. These require a payment of £3.50/week (10 items) or £7/week (20 items) by direct debit. You may be eligible for a grant to support your membership through the **Household Support Grant** from Oxford City Council.

There are also food support services which are free to use but **do require a referral**. You can ask for a referral via:

- **Citizens Advice Bureau (CAB)**. 03003309054, 95 St Aldates, OX1 1DA
- **Oxford City Council**. 01865249811.
