PCAMHS

# A guide for children's services

## What we provide to agencies:

- A multi-agency consultation service about children's emotional and mental health.
- An early intervention and preventative service.
- Coordinating and delivering training in children's emotional and mental health.
- Emphasis on child participation.
- Working in community-based settings.
- A full-time telephone consultation service - our number is **0845 219 1485**
- Direct work with children and families (up to 6 sessions).
- A single referral point for child and adolescent mental health services.
- Offering opportunities for joint working in individual, family and groupwork.
- Casework and clinical supervision of staff.
- PCAMHS provides a range of different therapies and ways of working with children and families.
