

Early Intervention Service

# Early Intervention Service

This leaflet aims to tell you about the early intervention services in Buckinghamshire and Oxfordshire provided by Oxford Health NHS Foundation Trust.

## What we do

- We work with young people (14 - 35 years old).
- We weigh up if a young person's mental health may be at risk.
- We work with young people to stop the progress of a mental health issue.
- We assist recovery.

## Why we do it

- We want to stop mental health problems from getting out of control.
- We understand that mental health issues are very distressing for everybody.
- Leading a full life is better than feeling trapped by a mental health issue.

## How we do it

- We discuss goals with you.
- We try to clear confusion and discuss strategies.
- We put you in the picture about mental health.

## Team members

Our team has a number of different professionals and workers.

My name is .....

I am your care co-ordinator and will be overseeing your care.

## Confidentiality

Our work with you is confidential with only one exception. If you provide information which places you or others at risk, we have a duty to disclose this information to the appropriate agency.

## Concerns, comments and complaints

We aim to provide you with a high quality service at all times. However, if you have any concerns, complaints or comments about your experience of our service then please tell a member of the team or contact the PALS and complaints team on freephone 0800 328 7971.
