Dear Sirs

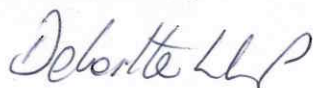

Independent Examination of the financial statements of Oxford Health Charity for the year ended 31 March 2015

In our telephone conversation on 2 July 2015 with Yaima Bacallao, we discussed with you the findings from our independent examination and your responses. For the avoidance of doubt, in respect of the above independent examination, there are no matters of significant that we wish to bring to your attention.

Please note that our independent examination was not carried out to the same level of scope as a statutory audit. Our independent examination was not designed to identify all matters that may be relevant to the board and this report is not necessarily a comprehensive statement of all deficiencies which may exist in internal control or of all improvements which may be made.

This letter has been prepared for the Trustee, as a body, and we therefore accept responsibility to you alone for its contents. We accept no duty, responsibility or liability to any other parties, since this letter has not been prepared, and is not intended, for any other purpose. It should not be made available to any other parties without our prior written consent.

Yours faithfully
