Dear Stuart

Q2 2015/16 monitoring of NHS foundation trusts

Our analysis of your Q2 submissions is now complete. Based on this work, the trust's current ratings are:

- Financial sustainability risk rating: 3
- Governance rating: Green

These ratings will be published on Monitor's website later in December.

A report on the FT sector aggregate performance from Q2 2015/16 is now available on our website¹ which I hope you will find of interest.

We have also issued a press release² setting out a summary of the key findings across the FT sector from the Q2 monitoring cycle.

If you have any queries relating to the above, please contact me by telephone on 020 3747 0481 or by email (Tom.Edgell@Monitor.gov.uk).

Yours sincerely

Tom Edgell
Senior Regional Manager
