

When you travel on a bus or train.

To stop the spread of corona Virus.

When we are on a bus to train we need to:

Stay 2 metres away from other people when we wait for the bus or train.

Check the timetable as buses and trains may be running at different times to normal.

If there are too many people on the bus you might be asked to wait for the next bus or train.

On the bus or train you should wear a face covering.

You can use a scarf or wear a face covering that covers your mouth and nose.

Do not sit next to someone else.

Choose a seat at least 2m from other people
