Recommendation

The Board is invited to note this report.

Lead Executive Director: Kerry Rogers, Director of Corporate Affairs and Company Secretary

1. *A risk assessment has been undertaken around the legal issues that this paper presents and there are no issues that need to be referred to the Trust Solicitors.*
2. **Strategic Objectives/Priorities** – *this report relates to or provides assurance and evidence against the following Strategic Objectives/Priorities of the Trust:*

1) Deliver the best care possible within available resources

(Goals: delivering the best care possible within available resources through improved safety, effective evidence-based treatments and an improved patient experience to create better outcomes for those who use our services)

5) Collaborate with stakeholders to create integrated health systems

(Goals: be a leading player in the joining-up of local healthcare; and focus on pathways of care (rather than individual service areas) to improve access and waiting times, care quality, and the impact of prevention and early intervention initiatives)
