

## Vocabulary // Aged 0 - 1

Encourage the baby's sounds and babbling by **copying their sounds** in a turn-taking 'conversation'.

Use **toys and games** to encourage babies to make noises (e.g. pop-up toys, wind-up toys). Wait until they make a sound – then reward him/her with the toy and lots of praise.

Make **appropriate noises** when playing with toy animals, cars, trains etc. Encourage the baby to join in and copy you, e.g. 'bang' 'broom broom'
