Thank you for your email of 11 May making a request for information under the Freedom of Information Act. You requested the following information and the Trust is able to provide the information below in response:

**Request:**

I would like to know:

1. How much money was spent on translators in the financial years 2017/18, 2016/17, and 2015/16? Can I have the numbers broken down by year please?
2. How many times were translators required over the three years? Can I have the numbers broken down by year please?
3. What languages were the translators needed for? How many times were translators needed for each language?

Would you be able to send me this information in an excel spreadsheet please?

**Response:**

Please find the information in the two spreadsheets attached.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to me and I will ensure the decision is reviewed. The Trust will consider undertaking a review if requested to do so within 40 working days of the date the response is received by the applicant, and will apply discretion if a longer period of time has passed.

Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by the Trust for FoI Act matters.

The ICO can be contacted at:
