

## CPD Zone for primary care staff across TVW

<https://www.oxfordhealth.nhs.uk/library/cpd-zone/>

### Coronavirus / COVID-19 (April 2020)

#### **New eLearning**

HEE e-Learning for Healthcare [Coronavirus elearning programme](#). Courses are free for all health and social care staff.

RCGP has created a [COVID-19 CPD Hub](#) to support GPs in understanding and managing the coronavirus pandemic. This hub will be updated daily with the latest developments and guidance.

MIMS have published a [free learning plan](#) which covers key recent prescribing developments in primary care, for GPs and nurses returning to practice during the coronavirus pandemic.

Trish Greenhalgh et al have published a [Practice Note](#) to help general practice manage **COVID-19 consultations**. In particular see the 1 page graphic. (Ref [Covid-19: a remote assessment in primary care](#). BMJ 25 March 2020;368:m1182 doi: 10.1136/bmj.m1182)

#### **Want to learn more about the science?**

[Coronavirus: the science explained](#) lays out the evidence and the facts about the virus, the disease, the epidemic, and its control. This website will be regularly updated with the latest science information behind the coronavirus outbreak.

#### **And the numbers:**

The government publishes the latest figures on the [number of cases](#), and you can find the number of cases in your area recorded by [Public Health England](#).

#### **Future events and courses:**

*Face to face events have been cancelled but:*

Coronavirus **Webinars for General Practice**

are being held every Thursday 5-6pm.

Registration is not required.

You can also watch past NHS England webinars.

Find out more [here](#).

### **Hot topic on the CPD Zone this month - Coronavirus/COVID-19**

There is really only one topic which we could choose this month. See the e-learning resources aimed at primary care on the CPD Zone Topic page covering [Infectious diseases](#), some of which are listed above. Follow the [CPD Zone News](#) for other learning resources as they become available, and let us know of any you think we should add. Contact [anne.gray5@nhs.net](mailto:anne.gray5@nhs.net).

### **Evidence Bulletins – sign up for your personal copy**

[Future-Proofing Primary Care](#), -dementia, integrated care, long term conditions, older people, safeguarding  
[Reshaping Clinical Care in Primary Care](#), - innovation, leadership, skill mix, telehealth, workforce planning
