Find out [more...](#)

What's New:

The **Personalised Care Institute (PCI)** was launched on 15 September. A virtual organisation, it was convened by the Royal College of GPs with NHS England and NHS Improvement. The PCI aims to train at least 75,000 health and care workers over 5 years to deliver on the NHS England Long Term Plan commitment to ensure 2.5 million people receive personalised care by 2024.
